

Communications Support for Biopharma

AOIC collaborates with researchers, healthcare professionals, biopharmaceutical companies, and other life science organizations to communicate *preclinical*, *clinical*, and *health outcomes data*.

Publication/Content Development

Innovative Technology

Meeting Planning

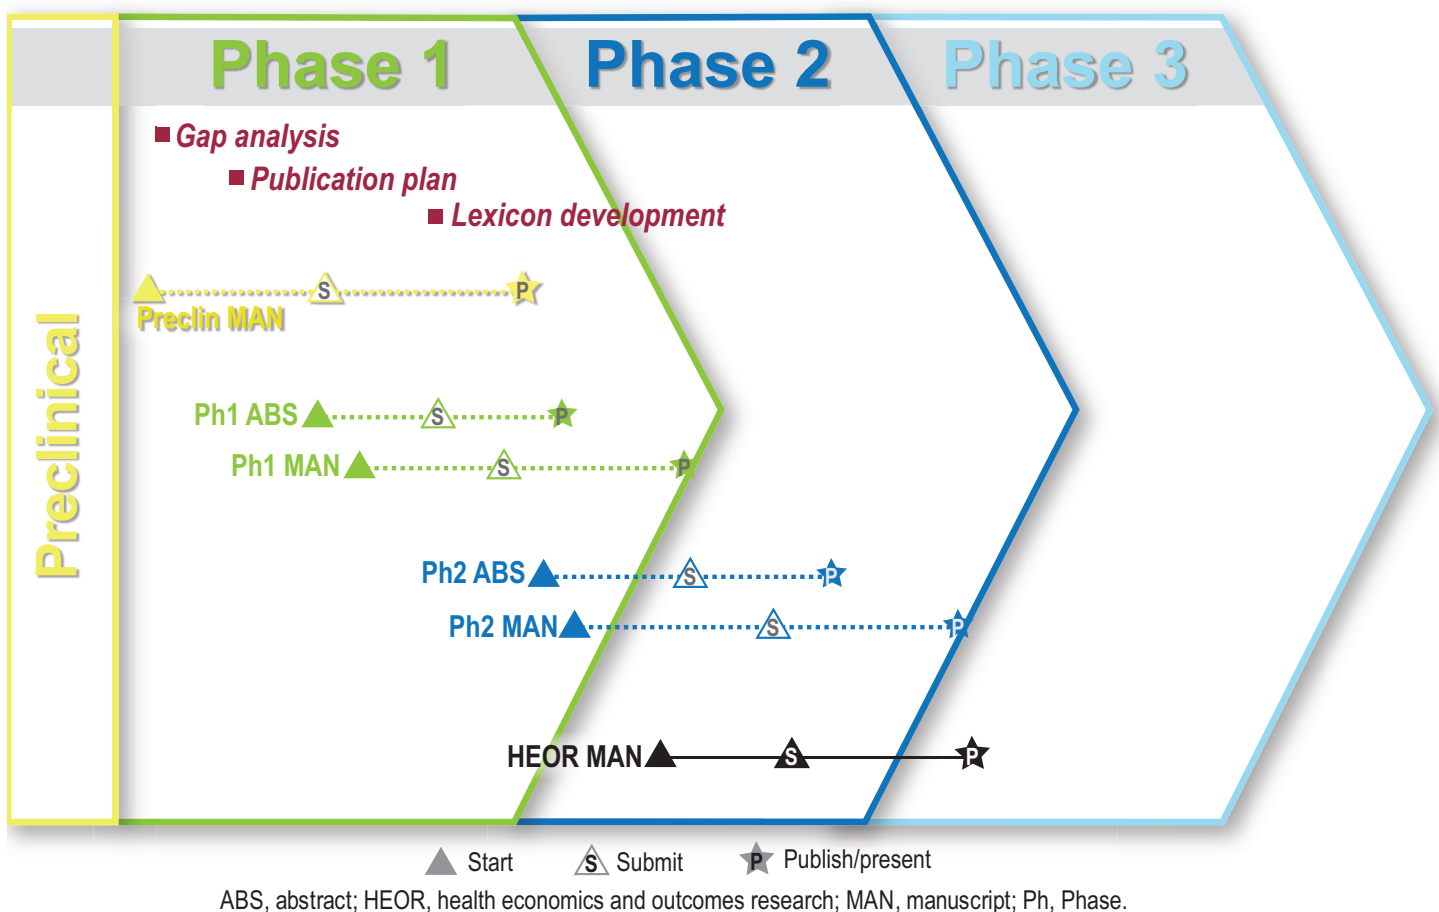

Publication/Content Development

AOIC's planning and execution set us apart.

- ✓ Strategic medical direction and expert medical writing
- ✓ Publication planning, congress planning, and lexicon development
- ✓ Health outcomes expertise
- ✓ Medical Affairs publication support

AOIC can help in all phases of development.

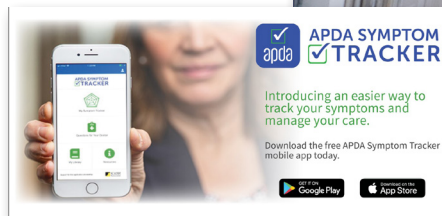

Innovative Technology

Expand your reach. Access everywhere. Present from anywhere.

AOIC offers both live and on-demand programs on a variety of platforms with an emphasis on *scalability*, *security*, and *performance*.

- ✓ Virtual meetings
- ✓ Impactful webinars
- ✓ Remote and onsite video production

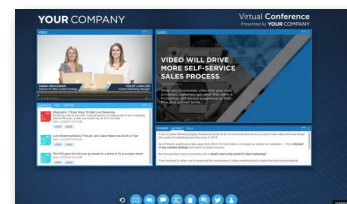

Powerful analytics and insightful reporting available for all programs.

Meeting Planning

AOIC has extensive experience delivering *insightful* and *informative* live and virtual programs.

- ✓ Scientific advisory boards and roundtables
- ✓ Investigator and Medical Affairs initiatives

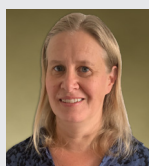

*Program logistics can create an image as important as the content.
We take care of the details, so you can focus on your audience.*
