

Nonprofit Partnerships

AOIC helps nonprofit partners *educate patients, caregivers,* and *healthcare professionals* in treatment advancements and managing quality-of-life challenges.

Our Nonprofit Roots

AOIC delivers forward-leaning solutions in content creation, technology, and meeting planning for nonprofit organizations.

- ✓ Using innovative communication technology for constituents and donors
- ✓ Delivering insightful programs on-time and on-budget
- ✓ Developing engaging content and accurate medical writing

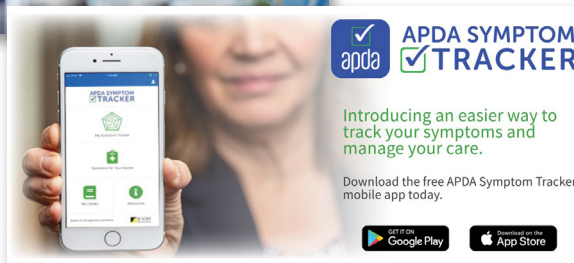

Innovative Technology

**Expand your reach.
Access everywhere. Present from anywhere.**

AOIC brings technology-based solutions to help nonprofits reach their constituents and donors using virtual and web-based tools. Our services include both *live* and *on-demand* programs on a variety of platforms.

Our team develops custom solutions tailored to meet your needs.

Impactful Virtual Programming

- ✓ Virtual meetings
- ✓ Informative webinars
- ✓ Award-winning videos
- ✓ Interactive flipbooks
- ✓ Mobile apps
- ✓ Bilingual programming (English/Spanish)

Powerful analytics and insightful reporting available for all programs

Meeting Planning

AOIC has extensive experience delivering insightful and informative live and virtual programs.

- ✓ Patient/caregiver educational meetings
- ✓ Roundtables
- ✓ Symposia
- ✓ Scientific advisory boards

Program logistics can create an image as important as the content. We take care of the details, so you can focus on your audience.

Publication/Content Development

Experienced writers for patient and healthcare audiences.

- ✓ Manuscript, white paper, and executive summary development – from research data or advisory boards/roundtables
- ✓ Patient brochures, newsletters, web content, fact sheets, congress posters, and white papers

Let us put our more than 50 years of writing experience to work for you.
